immediately preceding the licensure year indicated on the license renewal form except hours required in (2)(b) above may be met through attendance at a recognized CCE chiropractic college (a minimum of 18 hours). This applies only to the first license renewal period after initial licensing.

During the grace period (October 1 to December 31) for renewal, a licensee may complete any continuing education requirements for renewal that the licensee failed to complete during the prior fiscal year. Hours obtained during the grace period do not qualify or apply to the deferral procedure outlined below. Hours must be received in the board office before January 1 to avoid reinstatement.

(5) Educational Requirement May Be Waived Or Deferred.

(b) A licensee seeking a waiver or deferral must make application on the form provided by the Executive Director of the Board, prior to the December 31 license expiration for completion of the education requirement. For waivers or deferrals due to illness, the application form must be accompanied by a written statement from a physician stating the diagnosis, prognosis and length of time the licensee will be unable to practice or attend an educational program. Waivers or deferrals due to personal physical illness or disability may be granted only to a licensee who has suffered a personal illness or personal disability of a nature that prevented or will prevent him/her from engaging in the active practice of chiropractic for a significant portion of the continuing education period.

(c) All licensees seeking waiver or deferral shall provide full and complete written documentation of the grounds supporting the reasons for which a deferral is sought. A licensee who requests a waiver or deferral of time to complete the required hours of continuing education shall not engage in the active practice of chiropractic beyond December 31 of any year and until the board grants the licensee's request for waiver or deferral.
