## Certified Adopted Rule

### **190-X-1-.11 Records.**

(1) "Public Record" for the purpose of these rules means all Board records which are reasonably necessary to record the business and activities required to be done or carried on by the Board so that the status and condition of such business and activities can be known by the public. Public records shall not include, but not necessarily limited to, reports of investigations or complaints alleging violation of any rule or law, documents subpoenaed by the Board, reports of any investigators or investigative agency appointed or employed by the Board, memorandum or reports of the Board's counsel, memorandum or reports of the Board's counsel relating to investigations or complaints alleging violation of any rule or law, statements of persons interviewed by the Board or any committee or member thereof unless made at a public hearing, reports of sensitive, personnel, confidential or health information, reports of pending criminal investigations or reports or information the disclosure of which would be detrimental to the best interest of the public. The foregoing non-public records or writings shall not be subject to subpoena except upon the express order of a court of competent jurisdiction.

(2) Specific public records are available. Any person wishing to obtain public records should submit a public records request form detailing the record or records desired. The records will be provided as outlined in the ASBCE Public Records Access Policy.

(3) Specific records may be obtained by submitting the above request and the fee as established in Rule 190-X-.1-.18.
